

Learning Prompts

Week of: May 23

Day	Subject	Prompt
Monday	Reading	Read this article. Complete your own letter to the editor using one of the four topics listed.
Tuesday	Science	Make a digital scrapbook of pictures and news stories about conservation. Look for articles about hunting and fishing seasons, tree planting, crisis, etc.
Wednesday	Math	Compute the area of the advertisements on one page. What percentage of the page is used for advertisements?
Thursday	Writing	Review today's e-Edition. What do you think is the most important piece of information printed today? Why?
Friday	Civic/Social	Endeavor to complete the New York Times crossword puzzle found in The Spokesman-Review. How far were you able to get? Did you learn anything new?
